There could be some changes to the plan according to the meeting that they had, so they are going to send a helper first.
And they are going to send a letter with the helper, so they told you to wait for the letter until then
Yes, I understand.

I should wait? That's funny!
The one who gave the command to me, wouldn't want me to relax and wait around.
ONE OF THE TWO MUST BE KILLED.

It should be as quick as possible. If you wait too long to do it, your tail is going to get caught.
You will understand without needing me to explain it to you.
Of course. But I'm sorry... but how can I use this?
It's a tool with power.

It's a tool with three powers.
You can only use each power once,
So you should be careful when you
use it. It will be enough...
And if you're going to
kill someone, it should be
somebody who will become
the god priestess.

But this is too bad...
I can't watch it when it'll happen.
Well, I shall go around the palace and check what's happening around here.

That girl is the most annoying.
I have to wait and see, but she's
the one who is most likely...

What are you
thinking about?

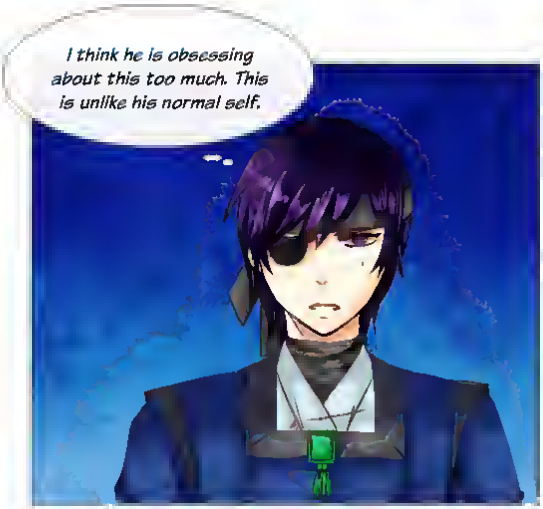
it's nothing...
Actually, barriers are for protecting something...
There must be a reason like that for a barrier to be here.

To find out more about that and to prepare for something that might happen, I'm only going to make a small cut here on the barrier. Just so it won't break down.
Does it have to be quite so complicated?
MISTY RAIN

I told you I'm trying to be ready. First the arrow...
Here you go
But, your highness, please don't do anything dangerous to yourself.
I'm not, I'm not

I'm only going to make a small cut.
If I'm right, then there are many meanings for this exam.

Maybe in this exam...
He is trying to test me.



I think he is obsessing about this too much. This is unlike his normal self.

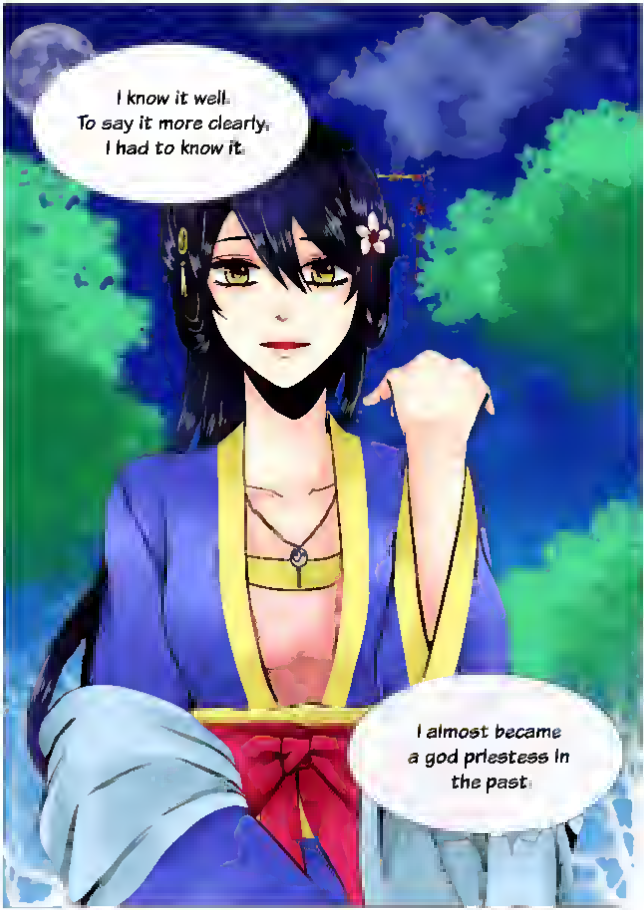
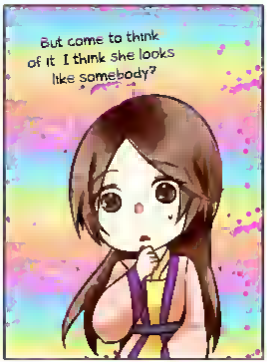
What did you want to say to me...?
No, but do you know me? My name...



I know it well.
To say it more clearly,
I had to know it.
I almost became
a god priestess in
the past.

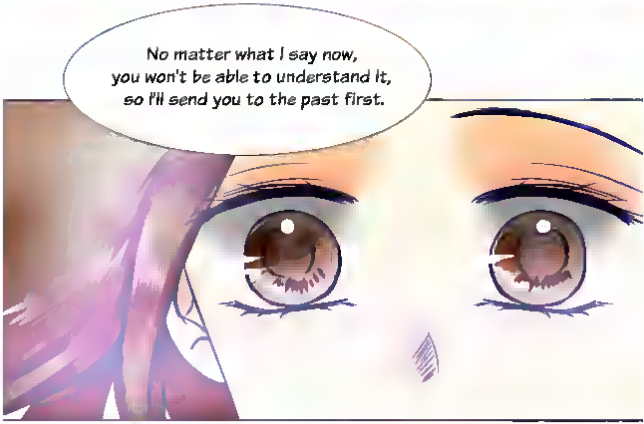
What do you mean by almost becoming one?
It is just as I said You must be curious about this a lot.

There are many things which I should say to you.



But come to think of it I think she looks like somebody?

But first, you have to know about something...



No matter what I say now, you won't be able to understand it, so I'll send you to the past first.

MISTY RAIN
